Retraction notice to The Top 50 Articles on Knee Posterolateral Corner Injuries

Arthroscopy, Sports Medicine, and Rehabilitation Vol 4, No 5 (October), 2022: pp e1703-e1711

Andre Perez-Chaumont, M.D., Tolulope Ramos, M.D., Wendell W. Cole III, M.D., Michaela A. Stamm, M.S., and Mary K. Mulcahey, M.D.

From Department of Orthopaedic Surgery (W.W.C., M.A.S., M.K.M.), Tulane University School of Medicine (A.P.-C., T.R., W.W.C., M.A.S., M.K.M.), New Orleans, Louisiana, U.S.A.

This article has been retracted: please see Elsevier Policy on Article Withdrawal (<https://www.elsevier.com/about/ourbusiness/policies/article-withdrawal>).

This article has been retracted at the request of the authors. An investigation found that the authors did not correctly retrieve the data for this review and as a result, the authors have concluded that the study results are not reproducible, and the list of the top 50 articles on knee posterolateral corner injury contains errors.
